

Sponsorship & Support Request Application

The Reddrop Group firmly believes that you give back to the hand that feeds you; therefore, we have always been committed to support community organisations, events, and its people.

The Reddrop Group and its stores receive a large number of requests for support each year. Whilst we try to fulfil as many as we can, unfortunately due to the large volume this isn't always possible. Preference is given to those within our direct community.

To apply for support please complete this form (2 pages) and return to the Store Manager at your local Reddrop Group store.
